TopTraveler Extend New

15.0" - 17.3"

Spacious top load case for 15”-17.3” notebooks with interior tablet pocket

TopTraveler Extend is the perfect companion for the safe transport of your 15” - 17.3” notebook, tablet and further mobile computing equipment. The lockable notebook compartment with a notebook fastening strap has extremely lightweight cushioning made of High-density foam that surrounds your notebook providing maximum safety. There is also plenty of room for additional equipment. Documents can be stored in a separate, two-part document compartment. The workstation in the front compartment takes care of pens, business cards and keys in an orderly fashion and your cell phone is always ready-to-hand in the concealed side pocket. Power supply units, cables and the shoulder strap can be transported in the designated pocket and there is also a separate pocket for a tablet PC. The comfortable carry handle, the padded shoulder strap and the trolley fastening strap ensure easy transportation while travelling. The TopTraveler collection from DICOTA combines first-class functionality with elegant design and high quality materials. Available are different models and sizes allowing you to find the bag that suits your requirements. All bags in the collection are made from durable nylon and have clever design features made to support your way of working.
